

## Guardianship:

Guardianship of Begay 8 Nav R 896 (WR Dist Ct 2006) (due process requires notice to adult subject to guardianship petition in spite of lack of requirements in guardianship laws);

Big Ben (Aneth Fam Ct 5/12/10) (rejects facial challenge to guardianship statute as premature) (adopts requirements for adult guardianship proceedings: adult must have counsel, incompetency must be shown by clear and convincing evidence, power limited to areas necessary for health, well-being, protection of person and property, reasonable and least restrictive means to accomplish necessary oversight) (if person confined against will, use time lines similar to Health Commitment Act)
